

Dear CCA parents,

The following items from Lands' End have been approved for the 2008-2009 school year. Our preferred School # 9000-6466-8 is on the back of catalog. That number will earn us 3% back with each ordered placed from the Lands' End School catalog. You may also go through schoolpop.com to earn the school another 5%. To cut back on shipping charges you may combine orders with other families, or check around because some parents have been receiving free shipping codes. If you do not have a credit card, there are many people who did and would be willing to order for you.

Our logo number is 0130339K. You may put logos on items that are NOT part of CCA's uniform.
