Background Information (History)

The Clinton Christian Academy (CCA) is a 501(c)3 non-profit corporation. It was established in the year 2000 as a non-denominational private Christian elementary school, believed by the founders to be commissioned by God. It quickly expanded to include the grades 6-8 and had its first 8th grade graduating class in 2003. In the fall of 2016 God called the Board of Directors to step out in faith, once again, and expand into high school starting in the 2017-18 school year. CCA is governed by a Board of Directors and operated by a God-centered Christian administrator and God-centered Christian teachers. Through prayer, God has shown numerous miracles and overwhelming blessings. Please pray for your teachers, your administrator, and the board to have Christ-centered lives and to have His wisdom while serving.

Mission Statement

Colossians 2:2-4, 6-8 *“That their hearts may be encouraged, being knit together in love, and attaining to all riches of the full assurance of understanding, to the knowledge of the mystery of God, both of the Father and of Christ; in whom are hidden all the treasures of wisdom and knowledge. Now this I say, lest anyone should deceive you with persuasive words. As you therefore have received Christ Jesus the Lord, so walk in Him, rooted and built up in Him, and established in the faith, as you have been taught, abounding in it with thanksgiving. Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ.”*

To inspire and equip our students with a challenging Christian, Bible-based curriculum, and holistic approach to their development while promoting Christ-centered living and patriotism.

CCA Guiding Principles

We teach 1) Christian Principles and Character, *through* 2) Christ Centered Academic Excellence, *while promoting* 3) American Patriotism.

CCA Motto

To share the saving knowledge of Jesus Christ, preparing hearts and minds to impact the world for Him.

CCA Affiliation

Clinton Christian Academy is a member of the Association of Christian Schools International (ACSI).

Non-Discrimination Policy

“Clinton Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities, generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.”

Every Student Succeeds Act of 2015 (ESSA) COMPLAINT PROCEDURES

This guide explains how to file a complaint about any of the programs¹ that are administered by the Missouri Department of Elementary and Secondary Education (the Department) under the Every Student Succeeds Act of 2015 (ESSA)².

Complaint Procedures for ESSA Programs Table of Contents	
General Information 1. What is a complaint under ESSA? 2. Who may file a complaint? 3. How can a complaint be filed?	
Complaints filed with LEA 4. How will a complaint filed with the LEA be investigated? 5. What happens if a complaint is not resolved at the local level (LEA)?	Complaints filed with the Department 6. How can a complaint be filed with the Department? 7. How will a complaint filed with the Department be investigated? 8. How are complaints related to equitable services to nonpublic school children handled differently?
Appeals 9. How will appeals to the Department be investigated? 10. What happens if the complaint is not resolved at the state level (the Department)?	

1. What is a complaint?

For these purposes, a complaint is a written allegation that a local education agency (LEA) or the Missouri Department of Elementary and Secondary Education (the Department) has violated a federal statute or regulation that applies to a program under ESSA.

2. Who may file a complaint?

Any individual or organization may file a complaint.

3. How can a complaint be filed?

Complaints can be filed with the LEA or with the Department.

4. How will a complaint filed with the LEA be investigated?

Complaints filed with the LEA are to be investigated and attempted to be resolved according to the locally developed and adopted procedures.

5. What happens if a complaint is not resolved at the local level (LEA)?

A complaint not resolved at the local level may be appealed to the Department.

6. **How can a complaint be filed with the Department?**

A complaint filed with the Department must be a written, signed statement that includes:

1. A statement that a requirement that applies to an ESSA program has been violated by the LEA or the Department, and
2. The facts on which the statement is based and the specific requirement allegedly violated.

7. **How will a complaint filed with the Department be investigated?**

The investigation and complaint resolution proceedings will be completed within a time limit of forty-five calendar days. That time limit can be extended by the agreement of all parties.

The following activities will occur in the investigation:

1. **Record.** A written record of the investigation will be kept.
2. **Notification of LEA.** The LEA will be notified of the complaint within five days of the complaint being filed.
3. **Resolution at LEA.** The LEA will then initiate its local complaint procedures in an effort to first resolve the complaint at the local level.
4. **Report by LEA.** Within thirty-five days of the complaint being filed, the LEA will submit a written summary of the LEA investigation and complaint resolution. This report is considered public record and may be made available to parents, teachers, and other members of the general public.
5. **Verification.** Within five days of receiving the written summary of a complaint resolution, the Department will verify the resolution of the complaint through an on-site visit, letter, or telephone call(s).
6. **Appeal.** The complainant or the LEA may appeal the decision of the Department to the U.S. Department of Education.

8. **How are complaints related to equitable services to nonpublic school children handled differently?**

In addition to the procedures listed in number 7 above, complaints related to equitable services will also be filed with the U.S. Department of Education, and they will receive all information related to the investigation and resolution of the complaint. Also, appeals to the United States Department of Education must be filed no longer than thirty days following the Department's resolution of the complaint (or its failure to resolve the complaint).

9. **How will appeals to the Department be investigated?**

The Department will initiate an investigation within ten days, which will be concluded within thirty days from the day of the appeal. This investigation may be continued beyond the thirty day limit at the discretion of the Department. At the conclusion of the investigation, the Department will communicate the decision and reasons for the decision to the complainant and the LEA. Recommendations and details of the decision are to be implemented within fifteen days of the decision being delivered to the LEA.

10. What happens if a complaint is not resolved at the state level (the Department)?

The complainant or the LEA may appeal the decision of the Department to the United States Department of Education.

CCA retains the right to change any policy or procedure at any time at its sole discretion.

Statement of Faith

Each member of the Board of Directors, and each employee of the Corporation, having accepted Jesus Christ as personal Savior, shall subscribe annually in writing to the following Statement of Faith:

1. **We believe the Bible to be the inspired Word of God.**
2. **We believe that there is only one God, eternally existent in three persons: Father, Son and Holy Spirit.**
3. **We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.**
4. **All humans are sinful by nature (Romans 3:23; 5:12) and can only be forgiven by the expression of trust in Jesus as Savior (John 3:16), brought about by the regenerating work of the Holy Spirit (Titus 3:5-7, Matthew 28:18-20).**
5. **We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life.**
6. **We believe in the resurrection of both the saved and the lost, they that are saved unto the resurrection of life.**
7. **We believe in the spiritual unity of believers in our Lord Jesus Christ.**
8. **We affirm the sanctity of human life as established by God the Creator and believe that such sanctity extends to the child not yet born.**
9. **The Christian home should serve as a setting for teaching children the sacred character of human sexuality and for showing them how its meaning is fulfilled in the context of love, fidelity, and patience within a heterosexual marriage.**
10. **We believe in the biblical account of creation ("*In the beginning God created the heavens and the earth . . .*"-Genesis 1:1).**
11. **We believe the ultimate responsibility for the education of children belongs to parents (Deuteronomy 4:9; 6:1-25; 4:1-4). We believe this is an inalienable right given by God, which the State cannot create, destroy, or alter.**

Philosophy of Education

The educational process in a Christian school is dependent on Biblical philosophy so that children may be prepared to assume their proper place in the home, the church, and the state. Accordingly, the philosophy of education for Clinton Christian Academy is as follows:

The philosophy of Clinton Christian Academy is based on a God-centered world view and that the Bible is the inspired Word of God. God created all things and sustains all things. Therefore, the universe and humanity are dynamically related to God and have the purpose of glorifying Him. Because humans are sinners by nature and choice, they cannot glorify or know God. A person can do this only by choosing God's free gift of salvation through his Son, thereby committing his or her life to the Lordship of Jesus Christ.

Our aim socially is to provide a Christian perspective on life and the world from which will come a balanced personality and a proper understanding and acceptance of one's role in life at home, at work, at play, and at worship---all grounded in the Christian concept of love.

This philosophy channels our energies to promoting high academic standards while helping students to achieve skills in creative and critical thinking, using the best integrated curriculum materials available. The objective of our instructional program is to enable students to pursue a secondary and post-secondary education of their choosing, whether in college, university, or vocational training.

Our responsibility for the student encompasses their spiritual, intellectual, physical, social, and emotional areas. These are inseparable, and through them all runs the thread of the spiritual. Therefore, it must be our aim to shun the tendency to teach the Bible compartmentally or on the intellectual level alone---the spiritual thread must be woven throughout the total curriculum.

It is apparent, then, that the types of activities we participate in and promote are consistent with our basic philosophy. The spiritual must permeate all areas---or else we become textbook oriented rather than student centered.

This philosophy dictates that we encourage parental involvement and respect for authority in every phase of the student's development, always seeking God's guidance in training up the child in the way that he/she should go.

The American's Creed by William Tyler Page

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic, a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

Patriotism

“Patriotism is an inner feeling that is difficult to define; for each of us it has a different meaning and each of us meets it with a different emotional reaction—feelings of pride, gaiety, a lump in the throat and a tear in the eye, a swelling of the chest and quickened breath, a fierce desire to battle for that which we believe, and even the dedication of one’s life to a cause. Where and when these feelings begin, we do not know, but we feel that the school should play an important part in developing patriotism in all its aspects. The small child is just beginning to have feelings of loyalty and pride, and these will grow best in an atmosphere of love and security, in aroused interest and broadened fields of knowledge, in chances to work with others, and through good examples in everyday living.” (Excerpt from Planned Patriotism)

We suggest that all the parents find time to watch “America’s Godly Heritage” video (available in the CCA Library). Please help us to stay informed if you hear of laws that violate our Christian philosophy of education. From time to time we will send home information on said laws that will need your attention to write letters addressing these laws to our President and Congressmen.

Admission Policy

Enrollment is limited in each classroom to no more than 20 students per grade in the 7th through 12th grades, 16 students per classroom in Pre-Kindergarten 4 years old (K4) - 6th grade.

Students enrolling in K4 or K5 must be age 4 or 5, respectively, on or before September 1st of the current school year. All students entering CCA will be given an assessment exam to help ascertain readiness and proper placement.

Clinton Christian Academy admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities, generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of educational policies, admissions, policies, scholarship and loan programs, athletic or other school administered programs.

All new students and parents are required to attend an enrollment conference, which often includes an educational success consultation.

The following forms must be completed and submitted prior to enrollment and the first day of class:

- Admissions Application
- Student Immunization Form (up to date)
- Birth Certificate
- Parent/Guardian Agreement Form (first day of class)
- Request for School Records (for transfers only)

Enrollees will be given preference based on the following (in order):

1. Returning Students
2. Teacher’s Children
3. Non-Teaching Staff Children
4. Siblings of Returning Students (number of siblings is considered)
5. According to the date they were added to the waiting list.

New Enrollees: The CCA Administrator will notify parents within the week following the enrollment conference to confirm or deny their child’s acceptance for enrollment. Parents will be given one week from the acceptance call by the school to confirm enrollment and pay the book fee(s). If enrollment is not confirmed the seat will be considered open to other students on the waiting list. CCA is able to assist some children with special needs through the Clinton School District. Special Needs children must qualify for, enroll, and participate in the CSD program to maintain CCA enrollment.

Returning Students: In February, returning students may secure a seat for the upcoming school year by returning the signed Commitment form and then paying the appropriate book fee(s) by May 15th.

All fees (tuition, book, lunch/milk, volunteer hours, & after school study program) must be paid from the previous year before enrollment for the following year is accepted.

Home School Students: Home School students who wish to enroll in CCA will be administered an assessment measurement for grade placement, prior to enrollment. They may enroll full time in grades K4-12 or part-time in grades 6-12, taking up to 2 classes per year. Part-time tuition is calculated as the current full time tuition divided by 7, plus a yearly \$250 enrollment fee. The book fee is calculated based on the cost of the books for each class.

Transfer Policy

CCA will not enroll students that have been expelled from his/her previous school.

Student's records (Request for School Records Form) and standard enrollment forms are required for students wishing to transfer to CCA.

Tuition

I Timothy 5:18 *“For the scripture says, you shall not muzzle an ox while it treads out the grain, and, the laborer is worthy of his wages.”*

CCA is primarily funded by tuition. CCA budgeting requires parents/guardians to keep their financial commitments current during the entire year. See Parent/Guardian Agreement in Appendix B.

The tuition schedule for the current school year can be found in Appendix A of this handbook, or the school office.

Tuition paid in full by July 1, for the upcoming school year will receive a 3% discount. Tuition can also be paid on an 11-month (**June thru April**) payment schedule. If choosing the monthly option it is expected that tuition be paid in full by April 10, unless other arrangements have been made with the School Administrator. **If tuition is not paid by the tenth of the month, a late fee of \$10.00 will be automatically assessed. An account that falls one or more months behind may cause suspension or dismissal of the child from CCA unless arrangements have been made with the Administrator, Financial Secretary, or Treasurer of the CCA Board of Directors. A charge of \$25.00 will also be assessed if a check does not clear the bank. Final report cards and all records (including transcripts) will be withheld until tuition, volunteer hours, and other accounts have been paid-in-full.**

Grades 11 & 12 CCA tuition will be calculated on a per class basis and only on classes being taken at CCA and taught by CCA instructors. The cost will be \$740 per class taken at CCA. Those students taking online classes during the day at CCA will be charged \$370 per class and will also be required to pay any fees required by the institution offering the class. Those students taking classes at Clinton Public Schools will be charged an administrative fee of \$100 per year. Dual credit courses will be charged an administrative fee of \$50 per semester. CCA Courses such as Cadet Teaching, Job Shadowing, and Work Experience will be charged an administrative fee of \$50 per semester.

In order to keep tuition costs low, CCA parents are required to be involved during the fundraisers; financially as well as volunteering. Parents with 1 child at CCA are required to perform 20 hours of volunteer work. (10 of the 20 hours must be spent working at a CCA fundraiser event or meeting.) Parents with 2 or more children at CCA are required to perform a total of 40 hours of volunteer work. (20 of these hours must be spent working at a CCA fundraiser event or meeting.) Families may opt out of the volunteer hour requirement by paying \$500 per child.

Volunteer tasks include, but are not limited to, building maintenance, lunchroom duty, classroom helpers, fundraising events, gate & concession stand help, and work supporting school committees.

Parents needing assistance with tuition can apply for the CCA Tuition Scholarship, Trinity Lutheran Scholarship, ACE or FAST (both are needs-based tuition assistance through the school office). Those families needing greater assistance should apply through ACE or FAST (web based financial aid service that determines the amount of assistance to be awarded). There is a fee paid to FAST when the online application is submitted. Families who qualify through ACE or FAST can obtain assistance up to a total of 50% for each child's tuition. To access the primary award amount online applications must be completed by April 15. See the financial secretary for more information on ACE or FAST.

The other Scholarships available are through Trinity Lutheran Church and the CCA Tuition Scholarship. These scholarships are paper applications that may be obtained from the school office. Please see the CCA school office for this scholarship award amount. Families who are awarded the full 50% Tuition Assistance through the ACE or FAST program are not eligible for the CCA Tuition Scholarship. Trinity Lutheran and CCA Tuition Scholarship applications should be turned into the school office.

School Fees

The book fee schedule for each school year can be found in Appendix A of this handbook. Grades 11 & 12 CCA book and supply fee will be calculated on a per class basis and only on classes being taken at CCA and taught by CCA instructors. The cost will be \$70 per class taken at CCA. The sports fee is \$50 per sport, per season, per individual. Home School athletes each year will pay a \$100 participation fee + the current per sport fee. The band instrument rental fee is \$10 per month for the first year of rental and then \$5 per month for each additional year of instrumental rental. **Instruments requiring reed replacement will be charged 50 cents per reed.**

Curriculum

Luke 2:52 *“And Jesus increased in wisdom and stature and in favor with God and men.”*

CCA predominately utilizes "A Beka Book" and Bob Jones University Press curriculum. A Beka Book is a challenging, aggressive curriculum with over 50 years of experience in Christian schooling. Our curriculum is NON-denominational in that our teachings are biblically based. Bob Jones is also a highly regarded Christian provider, and in the 5th grade and up, CCA believes it does a stronger job of preparing students for higher learning. All of the high school curriculum is designed to prepare each student for every opportunity upon graduation. We do not include ceremonial or doctrinal beliefs of different denominations. CCA uses the New King James Version of the Bible in all curricula. Students must pass $\frac{3}{4}$ of all courses taken in order to be eligible for promotion to the next grade, including math, language, and reading.

Additionally, in an effort to enhance the student's learning experience, students in grades K-5 through 12th will have Spanish class on a weekly basis. Also, students 3rd through 12th will have weekly instruction in the computer lab to learn proper use of a computer, safe surfing on the Internet and proper keyboarding technique. All computers in all of the classrooms have filtered Internet. When used properly the Internet offers a tremendous amount of learning possibilities and educational enrichment to the students. Students will be instructed that they are only to access sites for educational purposes, and this should only be done with a staff member in the room with them. As is the case with any computer that uses the Internet (even with filtering software), safe surfing cannot be positively guaranteed. Students and parents are expected to read the Computer Use Policy (see Appendix D of this handbook) and indicate their compliance and understanding by signing the Acceptable Use Agreement annually.

Lunch and Milk

CCA operates its own cafeteria serving hot lunches. The cost for purchasing a hot lunch is **\$2.80** per day. CCA participates in the free and reduced lunch program. If you think that your family qualifies, please contact the office for the proper forms to fill out in order to participate. Microwaves are available and lunchroom helpers can assist in their use for children who bring their own lunch. White milk, chocolate milk, or juice is available for purchase. Milk .40 and Juice .30. NO Carbonated beverages should be consumed in the lunchroom.

A monthly menu will be sent home for students purchasing hot lunch. The hot lunch can be selected on a daily basis, as the lunch count is done each morning.

K4-4th grades enjoy snacks every day. Students may purchase milk/juice to accompany the snack, bring their own drink, or drink from the water fountain.

All payments for hot lunch or drinks should be made payable to CCA and delivered to the school office. Cash must be in an envelope marked with the child's name and teacher's name.

The Financial Secretary will keep track of each student's lunch/snack account on a weekly basis. If an account becomes underfunded, a notice will be sent home on Friday. If payment is not received within one week, these services will be discontinued to the student.

Birthday Treats – Should be coordinated with the child's teacher for grades K4-4th grades and for 5th-12th grade should be coordinated through the school office. Check with the child's teacher or the office to see if there are any students with gluten or other food allergies. If there are food allergies please provide an alternative treat for those children.

Gum is not permitted in grades **K4-6.*

After School Study Program

CCA provides an After School Study Program (ASSP) from 3:15 pm – 5:30 pm each school day for only \$5.00/day for any family's first child and \$2.50 for each additional child.

Students in ASSP participate in Christian enrichment activities, snacks, and study time with experienced workers supervising, while waiting for pick up by their parents. Any student left at CCA after the normal pick up time of 3:15 will automatically move to the ASSP and will be charged the daily fee. A late fee of \$1 per minute will also apply for a student left past the 5:30 closing time. Parents/Guardians will receive a bill on the first day of each month for the previous month's charges for ASSP. Payment is due on or before the 15th of every month.

All fees (tuition, book, lunch/milk, volunteer hours, & after school study program) must be current from the previous year before enrollment for the following year is accepted.

Student Dress and Appearance (Uniforms for Grades K4-8th)

Romans 12:1-2 *“I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world,*

but be transformed by the renewing of your mind, that you may prove what is that good, and acceptable and perfect will of God.”

I Corinthians 6:19-20 “*Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price....”*

Students attending CCA in grades K4-8th are required to wear uniforms so that **all students regardless of their parents’/guardians’ economic level are equal in social appearance**. Parents are responsible for ensuring that the proper uniforms are acquired and worn to school and school events. (See parent/guardian agreement in Appendix B of this handbook).

Student's Uniform

Uniforms can be purchased from anywhere (Wal-Mart, Target, Kohls, JC Penney, Old Navy, Oshkosh, Carters, The Children’s Place, Gap, etc.) If you would like to purchase from Lands End please use our CCA school code/number: **Lands End** - school number is 9000-6466-8.

- Boy’s/Girl’s Pants/Shorts must be khaki or navy in color, plain or pleated front, chino, active chino, stain resistant, cotton/poly blend, straight leg or boot cut. **No** skinny leg, capri, jegging, joggers, pencil leg, low rise, ponte pants, denim, painter, or cargo. (**A small manufacturer’s label on the back is acceptable.**)
- Skirts/Skorts/Jumpers (girl’s only) must be khaki or navy in color, and be pleated or plain. Shorts must be worn under Skirts/Jumpers. **Lands’ End Classic Navy Large Plaid jumper or skorts are permitted.** Uniform polo dresses in navy or red (no logo) are also permitted.
- Shirts must be **solid polo style** and red, white, or navy in color (**no manufacturer’s/CCA emblem or logo**). They can be performance mesh, interlocking, pique, active, moisture wicking, stain resistant, and can be short sleeve or long sleeve. Shirts must be loose fitting and tucked in at all times for grades 2nd - 8th.

Any leggings, shorts, or “long sleeve undershirts” worn under school uniforms must be solid in color and either red, white, grey, navy or black.

All students in 2nd grade and above should have their shirts tucked in while at school. 1st grade students will be required to have their shirts tucked in after Christmas break each year. Students may wear a CCA sweatshirt or a solid red or navy sweater, **cardigan, sweatshirt, or hoodie (no logo permitted)** while in class at school. Jackets or coats may not be worn in the classroom or lunchroom, while at school. They may be worn to school and while on the playground. Students must wear a uniform shirt (or CCA t-shirt on Dress Down days) underneath any CCA sweatshirt, CCA hoodie or sweater while at school.

7th and 8th grade PE uniform – finger-tip length shorts or warm up pants, t-shirts or sweatshirts. Students will change into their school uniform after PE.

For safety reasons, no open toe shoes may be worn in school.

Each Friday of the month is a Dress Down for Missions Day. To participate for the month in Dress Down for Missions Day, each student brings \$2 to school on the first Friday of the month. Each month a check is sent to missionaries and **the Missouri Baptist Children’s Home**. Students must wear a CCA t-shirt/sweatshirt with long jeans (no loose fitting, no holes, no rips, no capris or jean shorts) or uniform bottoms or their regular school uniform to participate.

Though uniforms make us LOOK the same, they do not make us BE the same. Underneath our identical covers we have different hearts, different minds, different temperaments, and that is what makes us all different.

Girls' hair should be clean, neat, and appropriate in color. No makeup, lipstick, eye shadow, mascara, eyeliner, or foundation is permitted. At the most two small earrings per ear positioned in the lower lobe are allowed. No other body piercing or body art (including temporary tattoos) is allowed. These regulations apply while at school and on CCA sponsored events and field trips.

Boys' hair should be clean, neat, and appropriate in color. It should be kept cut above the collar, ears and eye brows. No earrings or other body piercing or body art (including temporary tattoos) is allowed. The regulations apply while at school and on CCA sponsored events and field trips.

Student Dress and Appearance Code (Grades 9-12)

Romans 12:1-2 *"I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good, and acceptable and perfect will of God."*

I Corinthians 6:19-20 *"Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price...."*

Students attending CCA for high school should reflect the fact that students are at school for the purpose of education, not recreation. Parents and students are reminded that items of clothing which may be acceptable and appropriate in social settings are not always appropriate at school. CCA is an academic institution, and school is, in essence, the student's job; therefore, students need to dress accordingly and use proper hygiene. The way one dresses can have a significant effect upon the attitude of the student and the atmosphere of the classroom. Students wearing clothing or accessories that are deemed inappropriate or distracting to the learning environment will be asked to change. The administrator reserves the right to make all final decisions on acceptable attire and personal appearance. Parents are responsible for ensuring that their child's dress and appearance are appropriate for school and school events. (See parent/guardian agreement in Appendix B of this handbook).

The CCA Student Dress and Appearance Code is based on the following four principles: 1) Honoring God, 2) Modesty, 3) Professionalism, and 4) Limiting Distractions. **Please remember that the high school dress code is not all inclusive and is at the ultimate discretion of the administration.**

Any jackets, coats, sweaters, or sweatshirts may be worn in the classroom, lunchroom, or anywhere at school.

Each Friday of the month is a Dress Down for Missions Day. To participate for the month in Dress Down for Missions Day, each student brings \$2 to school on the first Friday of the month. Each month a check is sent to missionaries and the Missouri Baptist Children's Home. High School students may wear a CCA tee-shirt or sweat shirt and loose fitting sweat pants (worn at the waist, free of rips, tears, holes and frays) or modest athletic shorts (at least fingertip length) on "Dress Down for Missions Day".

9th-12th grade PE dress code – below finger-tip length shorts or warm up pants, t-shirts or sweatshirts. Students will change into their school dress code after PE.

Dress shoes, casual shoes, Crocs, tennis shoes, and dressy style sandals may be worn in school. Socks that show should be mostly solid school colors.

Shirts -

Girls shirts should be loose-fitting, extend out to the shoulder joint, and must fully cover the back, midriff, and all undergarments (NO tank tops). Girls should have their shirt tucked in or no skin showing at the waistline (via a tucked in cami).

Boys shirts must be loose fitting and remained tucked in or no skin showing at the waistline. Shirts may be collared or collarless. Boys are not permitted to wear tank tops or sleeveless shirts.

Girls and Boys may wear CCA spirit wear.

Girls may wear collared and collarless dressy style shirts, blouses, and sweaters with modest necklines (a modest neckline is one that does not reveal cleavage when the person is standing or bending over).

Girls and Boys may have a manufacturer logo on their clothing and any lettering, graphics, or artwork must be appropriate for a Christian educational setting.

Dresses or Skirts – (Girl’s Only)

Girls dresses and/or skirts must fit properly (not too tight or loose), be free of rips and holes, be worn at the waist, and must come to the students finger tips. Any slits in dresses or skirts may not exceed above the finger tips. Dresses must have modest necklines, be loose fitting, extend out to the shoulder joint; and must fully cover the back, midriff and all undergarments.

Pants –

Girls and Boys should wear modest pants and jeans. (No sweat pants, warmup pants, knit styles, tights, spandex material, pajama pants, etc.) All pants should be worn at the waist, free of rips, tears and holes. Girls may wear leggings, jeggings or skinny jeans beneath dresses/skirts or long tops that are at least fingertip length

Shorts –

Girls and Boys may wear solid color chino or active chino style shorts, and jean shorts. All shorts should be below the fingertips, worn at the waist, free of rips, tears, holes and frays. Athletic shorts are not permitted except for PE/athletic events or on Dress Down for Missions Day.

Though uniforms make us LOOK the same, they do not make us BE the same. Underneath our identical covers we have different hearts, different minds, different temperaments and that is what makes us all different.

Girls’ hair should be clean, and neat. Makeup, foundation, concealer, lipstick, eye shadow, mascara, eyeliner, should be neutral colors. At the most, three small earrings per ear are allowed per ear. No other body piercing or body art (including temporary tattoos) is allowed. Hats or head coverings should not be worn in the building. These regulations apply while at school and on CCA sponsored events and field trips. The focus is to not draw attention to oneself.

Boys’ hair should be clean and neat. (No makeup, foundation, etc.....) No earrings or other body piercing or body art (including temporary tattoos) is allowed. Facial hair may be clean and neat. Hats or head coverings should not be worn in the building. The regulations apply while at school and on CCA sponsored events and field trips.

Physical Displays of Affection Grades 7-12

The following behaviors are not appropriate behavior at school.

1. Arm around waist
2. Arm around shoulders
3. Kissing and/or hugging
4. Embracing (standing or sitting)
5. Hand in belt loop, pocket, etc.
6. Sitting on another person's lap
7. Inappropriate physical body contact

*Holding Hands is permitted only in grades 9-12.

The above listed items are a brief, not comprehensive, list of examples of PDA standards.

Discipline

Proverbs 22:15 ***“Foolishness is bound up in the heart of a child; the rod of correction will drive it far from him.”***

Proverbs 29:17 ***“Correct your son, and he will give you rest; yes he will give delight to your soul.”***

Our discipline policy is based on developing these specific areas of a child's character: 1) Accepting Christ as Savior/ the Pursuit of Holiness, 2) Respect, 3) Academic Excellence, and 4) Discipline. Discipline is necessary for the welfare of the student, as well as, the entire school. Proverbs 12:1 tells us that if “we love discipline, we love knowledge”. Learning does not take place in a classroom where there is no discipline. Students are reminded to adhere to a code of good conduct not only for their own benefit, but for the benefit of others (Phil. 2:3-5). A student's discipline is determined by the teachers and, in many circumstances, the school Administrator, based on what they believe is appropriate, considering the child and the circumstance. The following are examples of reasonable classroom expectations:

- Being in your seat promptly with materials before class begins
- Speaking with respect to everyone – classmates, teachers, staff, and administration
- Keeping hands and feet to yourself
- Respecting other people's property
- Showing consideration of other's opinions

The basic steps used for a violation of class or school rules will usually be a verbal warning, loss of recess, a note or phone call home, and/or after or before school detentions (a detention notification will be sent home prior to serving the detention). Corporal punishment may be used with parental/guardian consent when other means of discipline have been exhausted and the problem is reoccurring. The teacher or Administrator will administer corporal punishment with a witness present and parents will be notified before the incident via a phone call to the parents. The individual administering corporal punishment will either be of the same gender or a female administering the punishment to a male child. Offenses that may result in corporal punishment include:

- Using the Lord's name in vain
- Swearing
- Stealing
- Violent acts, threats, or any display of hostility towards others
- Class disruption
- Demonstrated lack of respect for teacher(s) and/or staff

CCA supports high academics and will not exhaust its energies on discipline. Full cooperation is expected of students and parents/guardians in resolving classroom disruption. If any student's conduct at or away from school conflicts significantly with the spirit of this handbook, the school officials may question whether or not the student should continue to be enrolled at CCA. Remember that attendance at CCA is a privilege. Students who do not adhere to our policies forfeit this privilege. *This handbook does not define or address every type and aspect of*

student behavior; however, CCA retains the right and responsibility to set forth policies, rules, codes, regulations, and procedures.

Electronic Devices

Students are discouraged from bringing cell phones to school. If brought to school, **cell phones must be in your locker on silent. Students in grades 9-12 are permitted to use cell phones between classes and at lunch.** Students are highly encouraged to use laptops or computers for educational purposes (rather than individual cell phones) due to filters blocking inappropriate content. These measures are in place for safe computer usage in the school setting. Teachers may use their discretion concerning cell phone use in the classroom based on the educational activity and setting. Those abusing this policy will have their phone placed in the office and parents may be called to retrieve it.

High School students (grades 9-12) may choose to receive their textbooks electronically (contact the office for details) and therefore, all student owned tablets and iPads are the responsibility of the student owner and should be used by the student owner appropriately for learning and not as a gaming device. CCA is **not** responsible for lost or theft of student property.

Parent/Guardian Support/Communication

Deuteronomy 6:5-7 *“You shall love the LORD your God with all your heart, with all your soul, and with all your strength. And these words which I command you today shall be in your heart: You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.”*

The Christian characteristics and morals that CCA impresses on your children during school need to be impressed on them while they are at home as well.

Parents/Guardians are kept informed via a monthly calendar, bi-weekly newsletter, notes from child’s teacher, office emails and text alerts, digital sign, website, Facebook page, Instagram, Twitter and google calendar.

When texting a teacher during school hours, you should not expect them to respond until their planning time or after school, unless they have just contacted you. Whenever you need immediate assistance call the school office at 660-890-2111.

CCA appreciates the vital support and safety provided by parents/guardians during school events and classroom field trips (See Field Trip Policy in Appendix C of this handbook).

Respect for Authority

Hebrews 13:17 *“Obey those who rule over you, and be submissive, for they watch out for your souls, as those who must give account. Let them do so with joy, and not with grief, for that would be unprofitable for you.”*

Ephesians 6:1–2 *“Children, obey your parents in the Lord, for this is right. Honor your father and mother, which is the first commandment with promise: that it may be well with you.....”*

Disrespect to a teacher or any person in authority will not be tolerated.

Resolution of Conflicts

Ephesians 4:29 *“Let no corrupt word proceed out of your mouth, but what is good for necessary edification, that it may impart grace to the hearers.”*

CCA would like to glorify God in all things including disagreements, discouraging gossip, and the like. Please help us to glorify God by resolving all matters through biblical principles found in 1 Corinthians 6:1-8, Matthew 5:23-24 and Matthew 18:15-20.

If a concern regarding your student arises, please prayerfully consider the situation and follow the resolution progression as it is outlined below.

1. Conference with classroom teacher
2. Conference with Administrator and classroom teacher
3. Letter to the CCA Board of Directors outlining your concerns

In the event that a parent/guardian is not satisfied with CCA's course of action (or inaction) in response to their communication of a concern per the above listed progression, and the issue is one that the parent/guardian feels strongly enough about that they cannot accept CCA's decision, then CCA will strive to help make the student's transition into a different learning facility as smooth and uninterrupted as possible. CCA will not usurp the God-given authority a parent has over their children by requiring the student to abide by guidelines and policies that the parents/guardians are not in harmony with. By the same token, once a parent/guardian has usurped the authority CCA's staff has with a student; our ability to effectively educate the child has been damaged. Therefore, it is simply inevitable that there may be cases where children will be better served by attending a different educational facility.

Further, CCA staff will handle all discussions with parent/guardians in a private, polite, reasonable, and Christian manner ("*...put on tender mercies, kindness, humility, meekness, longsuffering;*" Colossians 3:12). We require the same courtesy be extended to our staff. Deviation from this requirement will result in the removal of the family's children from CCA's enrollment.

Withdrawals

Circumstances beyond a parent's control may force the withdrawal of a student from CCA. In this case, 10% of the full tuition and paid book fees are non-refundable. If a child is withdrawn after the beginning of the school year, the refund will be pro-rated for the remaining school year upon written request, and books will be sent with the child.

Attendance, Excused Absences and Tardies

Attendance and being on time at school is a part of helping to instill in each child a strong work ethic. Parents are encouraged to avoid taking extended (week long) vacations during the school year due to the detrimental effect on the child's educational progress. **Parents are asked to call or email the school office to report all student absences (partial or full day absences) and arrange to pick up assignments.**

A student is counted absent, but excused and permitted to make up work missed if:

1. The child is sick.
2. Death in the family.
3. Doctor/Dentist appointments:(please try to make these after school hours). If it is necessary to be excused early, please send a note the day before so the teacher may have assignments ready.
4. Inclement weather or hazardous road conditions.
5. Pre-approved absences: (these absences need to be approved by the teacher and administrator).

Any absence that does not fall under the above excused absences will be considered unexcused and will result in the child receiving all zeroes for the day's work. **If a parent/guardian does not call the front office to report an excused absence** or provide a dated note signed by the parent/guardian/doctor for an excused absence, the absence will be considered unexcused.

When returning to school, the student must present a dated note signed by the parent/guardian explaining the absence. Parents of younger students should contact the school and ask for their child's work. In grades 7-12 it is the student's responsibility to make arrangements with the teacher for missed assignments. In most cases, the student will be given one day per day(s) of absence to complete the missed assignments. (Two days may be given upon consultation and agreement with the classroom teacher). If a test/quiz/project is scheduled the day a student is absent, the student will be expected to take or have completed the test/quiz/project the day they return to school. If a project was assigned prior to the student's absence, then the project is due the day the student returns to school or on the original due date. Homework for an absent student will be ready for pickup only at the end of the school day.

Daily attendance of each student will be rounded to the nearest quarter of the day. Students must sign out in the school office when leaving early and the school authorities must have written parental permission. Students are responsible for the next day's work when leaving early. Any student involved in extracurricular activities must be present at school before **9:30 a.m.** and remain for the entire school day to remain eligible to participate in any extracurricular activities that day.

Any absence of more than five consecutive days, or a combined total of eight days per semester, other than illness or extenuating circumstances, may result in dismissal from school or no credit for the class.

Parents will be called to pick up any student who has a temperature of 100 or above while at school. Students with a fever of 100 or more should be fever free for at least 24 hours before returning to school.

Every effort should be made to make sure the student is at school and arrives on time. Classes start at 8:00 a.m. and if a child is not in attendance or not in their seat, they miss out on important activities and disrupt the class. Students in K5-12th grade who accumulate more than 5 tardies per quarter will be issued a 30 minute after school detention starting with the 6th tardy and for each successive tardy during that quarter.

School Hours and Flow of Traffic

School sessions begin promptly at 8:00 a.m. and students are released at 3:00 p.m. If someone different will be picking up your child, please let the school office know as soon as possible. For the safety of the child, students will not be released to unauthorized escorts. To ensure the safety of students and expedite the dismissal process, teachers will assist students into vehicles as parents pull through the traffic lanes. If parents need to come in during the 3:00pm dismissal time, we ask that they do so through the west doors and to exit through the west doors. This will help speed up dismissal and provide a safer environment.

Those picking up students in car line coming in from the East on West Division road are asked to stay in the right lane and wait for the car in front of them to move forward slowly. Those picking up students in car line coming in from the West on West Division road are asked to stay in the left lane and wait for the car in front of them to move forward. Together both lanes form 2 lines, once in the parking lot, and move forward slowly to pick up children. In the parking lot, when one of the 2 lanes is empty, vehicles can slowly transfer to the clear lane. When exiting the car line/parking lot, move to the left side to exit and turn left and to the right side to exit and turn right.

Medication Policy

Medications should be given at home when possible. If this is not possible, a medication authorization form must be completed and signed by a parent and physician for all medications that will be given. Medications should be delivered to the office by the parent/guardian unless prior arrangements have been made with school personnel. (Keeping track of refills is the responsibility of the parent/guardian). The school will not give the first dose of any medication. Students may not carry medication except asthma inhalers or Epi pens when authorized in writing from the physician and parent. All other medications will be locked in the office cabinet.

Medication must be in its original container with the student's name; doctor's name; name of medication; and the dosage, time and route of administration.

Over-the-Counter Medications may be administered at school to a student if written permission has been received from the parent/guardian. Over-the counter medications must be delivered to the school principal or office personnel in the manufacturer's original packaging and will only be administered in accordance with the manufacturer's label.

Self-Administered Medications—An authorized prescriber may recommend that an individual student with a chronic health condition be allowed to be in possession of his/her medication on district property for the purposes of self-administration. The district will permit possession of the medication for the treatment of asthma or anaphylaxis **if the physician has provided a written treatment plan for the condition for which the medication was prescribed and certifies that the student is capable of and has demonstrated to the physician or physician's designee the skill level necessary to use the medication as directed.**

If your child has a written asthma plan from the physician and uses an asthma inhaler, they will be required to use a chamber (available from your child's doctor) to take their albuterol when needed. Without using the chamber particles from their mouth can be airborne when they spray and inhale.

All 4th-12th grade students who are involved in CCA sports should carry their inhaler with them to games. For your student to administer their inhaler when needed they must have a chamber. We recommend carrying the chamber, inhaler and copy of asthma plan in a plastic bag when traveling to games with the player's name listed on the outside of the bag. Parents should inform all coaches of their child's asthma plan.

While at CCA, 5th-12th grade students can have their asthma inhaler with them in backpacks or leave them in the CCA Office; however, to administer when needed they will need to use their chamber. The office will administer albuterol to students with an asthma plan in K4-4th grades.

School Cancellations

Please listen to KDKD 95.3FM and WDAF-TV, Fox 4 News, and look for text alerts when inclement weather occurs for an announcement prior to 6:30 a.m. regarding the Clinton Christian Academy. Information will also be posted on the CCA's Facebook page. CCA reserves the right to make our own determinations regarding school closings or postponement. We generally, but not always, will follow the decision of the Clinton School District No. 124 for weather related closings. Please note that if the parent/guardian determines the road conditions to be unsafe, the absence or tardy arrival will be completely understood and will not affect the student's academic record negatively.

A student, regardless of the curriculum pursued, must attend CCA during the year immediately preceding graduation, must pass all academic classes, including Senior Bible, and must have earned at least 26 units. Any student who successfully completes and passes the summer school classes necessary for graduation will have the option of picking up their diploma at the school office or returning the following year and participating in the graduation ceremony. If a student is within one class of passing, they may participate in commencement exercises, but will not receive their diploma until successfully completing the course.

The information above lists the number of credits in each subject area that are required for graduation from Clinton Christian Academy. The curriculum framework is structured to provide a strong background in the core disciplines, with specific elective requirements to best prepare students for all aspects of life following high school. Students and parents are reminded to check each prospective college for specific admission requirements as their requirements may necessitate additional classes.

Seniors with a minimum GPA of 3.5 will receive Honors recognition at the CCA High School Commencement signified by a Gold Honor Cord.

Academic Letter (Grades 9-12)

In order for CCA students grades 9-12 to be eligible to receive an academic letter, they must meet or exceed criterion as set forth by the board of education. The first time a student letters he will receive a letter with a lamp of learning insignia and a bar. A bar will be awarded for each subsequent year for which the student meets eligibility criterion. Letters and bars will be awarded at the end of the year awards assembly.

Schedules (Grades 9-12)

Beginning in January, returning CCA high school students will work with CCA staff to build a tentative class schedule for the next school year. Sophomores and Juniors will usually apply for Clinton Technical School courses in early February. These tentative schedules will inform course offerings, the master schedule, and staff hiring actions for the next school year. High school student schedules will be finalized in April since Juniors and Seniors pay a prorated tuition rate depending on their class schedules.

DROP/ADD Form: Any high school student desiring a change in his/her class schedule must request this form from the Upper School Principal. **The form is due no later than the first Friday of the semester.** Signatures are required from both teachers (class being dropped and class being added), the requesting student, and the Upper School Principal. The Upper School Principal will contact the student's parent or guardian and decide if the request will be approved or denied.

A+ School Program (Grades 9-12)

We will strive to do our best in all we do each day, Mighty and victorious we are CCA.

Student Release Due to an Intruder

Through training, preparation, and the grace of the Lord your CCA faculty and staff have been trained to handle this kind of crises situation. In the event of an intruder please do not come to the school until asked to do so. Your presence in this type of emergency situation will put your own life in harm's way and hinder emergency personnel from doing the assignment for which they are trained. We will communicate (text or call) information to you as to when and where you can pick up your child.

Closing Statement

The staff at the Clinton Christian Academy will carry out the aforementioned policies and guidelines as they see most applicable with regard to each specific situation, taking into consideration all circumstances and factors that surround the respective event. Field Trip Policy

Field Trip Policy

Field trips enrich the learning experience and have proven to be a positive incentive for learning at Clinton Christian Academy. They give the students hands-on experiences of historically significant experiences, or culturally enriching experiences that are not as easily learned on site. Safety is a priority, especially during off-campus excursions. Therefore the following criteria will be followed for all off-campus activities:

1. Parents will be notified of field trips at a minimum of two weeks prior to the activity. On rare occasions when two weeks' notice is not available, there will be a personal contact with the parents either via face-to-face conversation or phone call.
2. All drivers of students from 2nd grade and below are required to have two adults per vehicle on out of town trips. The driver should concentrate on driving safely and the passenger adult will be responsible for maintaining civility in the vehicle and reacting quickly to any motion sickness.
3. All drivers must provide proof of a legal driver's license and a copy of proof of insurance to the CCA Administration to be eligible as a driver.
4. Drivers will be given a set of directions to the location that should be followed (NO SHORTCUTS).
5. The drivers should stay together at stoplights and assist each other in case of any travel emergency.
6. A minimum of one cell phone per vehicle should be registered with the field trip organizer and the number distributed to the Administrator and Administrative Assistant.
7. Students age 12 and under should not be placed in seats that have air bags (i.e. front passenger seats).
8. Students will be required to wear their seat belts at all times while in the vehicle. Parents are responsible to provide booster seats that comply with state law.
9. Prayer for travel safety before each trip.
10. Approximate departure and arrival (to and from the destination) will be scheduled. Any delays should be phoned in to the Administrative Assistant.
11. Students who do not behave properly while away from school will not be allowed to accompany their class on the next trip.
12. Some field trips require admission fees and tickets, which must be acquired during the scheduling; therefore, students that withdraw from the field trip after the scheduling deadline will still be required to pay the admission fee.
13. Parents should **not attend if** bringing any child(ren) on field trips that are not students of CCA. This includes the younger siblings of CCA students.
14. Students, teachers, and chaperones are required to wear appropriate clothing for the field trips. Chaperones are required to follow CCA dress code standards as well. Clothing may include: CCA uniforms or CCA shirts with jeans (for outdoor activities). (Short shorts, large open armhole shirts, spaghetti strap tops, mini-skirts, and such are not permissible.)
15. CCA uses drivers with a current CDLS endorsement to transport children by bus.
16. All riders will comply with posted bus rules or forfeit bus-riding privileges.
17. At present, fees are \$1 per rider for in town field trips and \$5 per rider for out of town field trips.
18. If a bus is taken all students will ride it. Chaperons may ride if room is available.

Athletic Code of Conduct & Player Agreement

CLINTON CHRISTIAN ACADEMY ATHLETIC CODE OF CONDUCT & PLAYER AGREEMENT

“Whatever you do, work at it with all your heart, as working for the Lord, not for man.” Colossians 3:23.

PURPOSE OF ATHLETICS

The purpose of Clinton Christian Academy Athletics is to provide a Christian environment for athletes to develop their talent so that they might glorify God during competition by using the gifts He has given to them. The goal is to instill in the players an attitude and respect in sportsmanship towards other players, coaches, officials, and fans that is consistent with the teaching of the Bible. These lessons include being stretched beyond personal limits they had not previously had the courage or motivation to surpass. The student athlete will have the opportunity to provide a Christ like witness by learning to win with grace and humility, and to accept defeat with poise and dignity.

CCA PROGRAM

CCA will compete in Soccer, Volleyball, Cheer, Basketball, and Track. Soccer will be scheduled conference games for Varsity (6-12). Soccer will be scheduled independently for JH (5th-8th). Varsity level Volleyball, Basketball, Soccer and Track will be scheduled in the MOKAN Christian Athletic Conference. Track may also be scheduled as a MSHSAA affiliate.

Soccer will be coed JH (5th-8th) and Varsity Boys only in Fall (6th-12th) and Varsity Girls only in Spring (6th-12th). Girls Volleyball will be JH (5th-8th) and Varsity (6th-12th). Cheer will be girls only in 2nd-4th Grades and participants must have a physical to participate. Basketball will be separate teams for boys and girls. We intend to field three teams for boys and girls. Those teams will be at the 5th/6th, JH, and V (6th-12th) teams. Track will be open to 5th-12th grades with competition levels determined by the composition of the team. These sports offerings and teams may be adjusted based upon the number of student athletes available per competition level.

All 5th-12th graders shall be eligible to compete in each sport subject to the terms above and this code of conduct. Each Coach, subject to approval of the AD, shall be allowed to bring up 4th graders in his/her discretion to complete a team and for the best interest of the CCA program. If the decision is made to bring up 4th graders it shall be made available to all 4th graders interested. A decision one year or in one sport does not mean that 4th graders shall be eligible in other sports or in subsequent years.

Home School athletes in 5th - 12th grade may compete on any appropriate team. Each team is limited to 3 homeschool athletes participating on their team and they must be enrolled before the first game. Some teams may be limited to fewer homeschoolers based upon MOKAN and MCSAA guidelines.

ACADEMIC ELIGIBILITY

All students should maintain a C average with no F's. Evaluation periods are at mid-term (mid-quarter), and at the end of quarters 1 and 3, and at the end of semesters 1 and 2. Mid-term and quarter grades for online and dual credit courses will be determined on CCA mid-term and end of quarter dates based on graded work at that time. Second semester grades will be used to determine eligibility for fall sports. Eligibility will become effective at 8:00 a.m. the day after mid-terms or report cards are issued to the students/parents.

Special consideration will be given to students who through formal evaluation are below grade level in ability. This will be administered at the Principal's discretion.

Students who become ineligible will be allowed to practice but not participate in any competitions or inter-team scrimmages. If their grades meet the above criterion after the end of the two week mark they will be restored to full participation status. If their grades do not meet the above criterion then they will be reviewed again at the next evaluation period.

ATTENDANCE

Student athletes shall make every effort to be at all practices and contests. Absences should be cleared with the coach. Unexcused absences may result in suspension from the team. Any student involved in extracurricular activities must be present at school before **9:30 a.m.** and remain for the entire school day to remain eligible to participate in any extracurricular activities that day. If a student athlete misses school due to an illness, he/she shall not be eligible to participate in that day's sports activities. Exceptions may be made with administrator approval. Parents are encouraged to coordinate absences for appointments in advance.

CONDUCT CODE

The following violations shall result in immediate dismissal from the CCA sport's program for the remainder of the calendar school year:

1. Usage or possession of any drugs, alcohol, pornography, or tobacco products on or off school property.
2. Demonstrating disrespect or threatening a coach, player or any member of the administration.
3. Vandalism of the property or facilities of Clinton Christian Academy or any other school.

The following violations may result in a game suspension, additional conditioning time or benching during a game:

1. Profanity or inappropriate language
2. Trash talking or taunting of opponents
3. Continued failure to give 100% effort

PARENTS/COACH/PLAYER RELATIONS

Clinton Christian Academy believes that to have an effective parent/coach/player relation the following should be strived for in all areas:

1. Love one another. John 13:34-35.
2. Respect each other. Romans 12:19.
3. Pray for one another. II Corinthians 1:11.
4. With recognition of parental responsibility under God, it must be kept in mind that, for athletic participation, parents have delegated the responsibility and authority for their child to the coach. The following shall apply:

(a) Coaching from the stands. The coach needs the full attention and concentration of the players. During practice or games the players are the responsibility of the coach. Uninvited parent intervention during these times is a distraction and detriment to the team. While it is important for parents to cheer and encourage the athletes, that can be accomplished while allowing the coach to remain in charge of the technical and strategic aspects of the game. Parents are not allowed on the sidelines or team area during practices or games unless asked by the coach.

(b) Negative comments or approaching the coach or player “on the bench” during the game, at half time, immediately after the game, or prior to the post game team meeting will cause problems. The coach should receive full support from both the player and parent.

(c) Parents desiring to have input to the program should use proper channels of communication. Proper deference to the athletic director or coaches to discuss your concerns in private will give them the opportunity to give your concerns their undivided attention. Parents should make an appointment through the athletic director.

(d) Support is expected. It is reasonable to expect that any parent who permits their student to come out for a sports team should be supportive of the coach. Well-placed, constructive remarks given privately to a coach are always welcome. Simply airing negative opinions to those around you or your children should not be done because of the potentially negative, spiritual consequences.

(e) Each coach has the full responsibility and authority to determine which players are entered into a game, when, and for how long. His/her determination will be made on the basis of what is best for the team.

(f) Parents should help their child understand that coming into a competitive program does not guarantee that the child will make the starting lineup, play a certain position, play a certain number of minutes, or even play at all. This particular concept will help student-athletes learn to successfully-face obstacles and physical limitations as they face similar situations later in life.

(g) Parents will be expected to work a minimum of one (1) time in the concession stand/gate per number of children involved in extra-curricular activities (including cheer).

RISK OF INJURY AND REQUIRED PHYSICALS

It is our desire to allow our child or children to participate in the CCA sports program. We understand sports can result in physical injury and/or death. We understand the CCA sports program is at times a coed program and often results in younger students competing against older students, including at times 5th grade students against 12th grade students, girls against boys, and small players against larger players. We understand sports can result in concussions and that such concussions may lead to permanent consequences as a result of injury. We hereby declare and represent that in executing this document we are relying upon our own judgment, belief and knowledge of the nature of the hazards and possible injuries which can or might arise and we have not been influenced to any extent whatsoever by any representation or statements regarding such hazards or injuries made by CCA.

Student athletes must have a valid physical examination on file prior to the first practice. Physical examinations are valid for one year from the date of the examination.

EARNING PHYSICAL EDUCATION CREDIT THROUGH ATHLETICS

Our athletes dedicate significant amounts of time outside of regular school hours in order to represent CCA in their chosen sports. Because CCA requires five core subject areas (including Bible) in our high school graduation requirements, the Board and Administration decided that our student athletes should be able to earn Physical Education (PE) credit through participation in sports. Athletes, under the supervision of coaches and administrators, will log the minutes they spend engaged in sports activities including practices, open gym times, and games. A coach or administrator will sign off on the minutes of participation recorded by the athlete. When 3,915 minutes are completed, a student athlete will earn 0.5 credits in PE. An additional 0.5 credits in PE may be earned for a second set of 3,915 minutes of sports participation. A coach or administrator

will provide the paperwork for athletes to log their minutes at the end of each session of sports participation.

10 POWER POINTS FOR COMPETITORS

1. True competitors have a humble heart – in victory and defeat. (James 4:10)
2. True competitors do their best and remain gracious, regardless of the outcome. (2 Peter 1:2)
3. True competitors have their emotions under control. (Galatians 5:22-23)
4. True competitors show respect for their opponent. (1 Peter 2:17)
5. True competitors don't cheat. (Philippians 4:8)
6. True competitors encourage the competition and help them be at their best. (Proverbs 27:17)
7. True competitors compete against themselves – not the competition. (Colossians 3:23)
8. True competitors compete out of joy, not fear. (1 John 4:18)
9. True competitors don't talk trash, but edify with their words. (Ephesians 4:29)
10. True competitors respect authority. (Hebrews 13:17)

STUDENT ATHLETIC COMMITMENT CONTRACT

We realize the commitment needed to participate in athletics at CCA, so we commit ourselves to the athletic program and the team and agree to perform the following duties in order to fulfill the contract and show commitment to the team and to the school

1. I am a leader. I will use this leadership role to honor God and to represent my school in a manner pleasing to God.
2. I will be at every practice on time unless I have prior approval from the coach. I will attempt to be ready mentally and physically for every practice and game.
3. I will respect all coaches, officials, teammates, and opponents with which I come in contact.
4. I will abide by the grade eligibility requirements.
5. I will compete with all of my energy, focus, and ability. I understand that, as a Christ-like athlete, I should be a relentless, maximum-effort competitor, while maintaining poise and an attitude of good sportsmanship
6. Pay the per sport fee as set by the board of directors.
7. Home School athletes (grades 7-12) will pay a \$100 one time participation fee (each year) + the per sport fee.

I understand that if this contract is broken, the coach and/or athletic director will decide from several options as to the actions to be taken. Options include:

1. Dismissal from the team.
2. One or more game suspension from the team.
3. Benching during portion of a specific game.
4. Public apologies to the team and coaches.
5. Any other action the coach and/or athletic director deem necessary.

In seeking to practice the Biblical principle taught within Matthew 7:12 and Romans 14, we desire to include athletes and families who share a position in agreement with Clinton Christian Academy regarding the policies contained within the CCA Student, Parent/Guardian Handbook and in this Code of Conduct and Player Agreement.

I have read this document, the CCA Athletic Code of Conduct and Player Agreement, the CCA Student, Parent/Guardian Handbook, and agree to abide by the rules and guidelines stated therein.
