# Clinton Christian Academy Board Notes

December 8, 2025

The CCA Board of Directors met in the CCA Art Room for their regular monthly business meeting on Monday, December 8. The meeting began with the opening prayer given by Barry Bullock. Board member David Mills shared a devotion based on Luke 5:1–11, reflecting on the fishermen’s daily task of mending their nets—a routine, often mundane, yet essential responsibility. David noted that Jesus may have been drawn to fishermen as disciples because of the patience and faithfulness required to perform such ordinary work. In the same way, board members are called to “tend our nets” as we care for the needs of staff, students, and the school’s resources. This passage reminds us that even Jesus valued the importance of everyday tasks, and that we are called to approach them with joyful and faithful hearts.

The financial reports and bills from the month of November were reviewed and approved. Prayer requests were shared.

- Mrs. Ritchie reported that the enrollment during the first semester has remained steady. One new student has been enrolled at grade 8 since the last meeting. Another family with students at K4 and K5 toured, are moving to Clinton over Christmas break, have enrolled, and will begin attending on Jan. 5. This brings our enrollment to 181 as we begin second semester.
- Mrs. Hyke shared the fall Boys’ Soccer update from Coach JD Manning: Team Award Winners: MVP: Collin Higgins; Patriot Award: Colten Manning; Defensive Player of the Year: Parker Lowe; and Most Improved: Isaac Curnutte. Team record for Varsity was 18-1 overall. The varsity team won 1<sup>st</sup> place in the MoKan regular and conference. The team was runner up at state. The JH soccer team had a 1-7 record.
- The administration updated the board concerning the school-wide Christmas Service Projects. CCA families and staff collected 171 pudding/jello boxes for Operation Christmas Cheer food baskets distributed by the Samaritan Center and 58 Operation Christmas Child Shoeboxes. High School Students from CCA volunteered all day on Mon., Nov. 17, to help load shoeboxes onto the semi-trucks.
