Dear Friends of Clinton Christian Academy,

For more than a generation, Clinton Christian Academy has been committed to providing Christ-centered, academically excellent education for students in our community. Through God's faithfulness and the generosity of families and friends like you, our school has continued to grow in both impact and enrollment.

Today, we stand at an exciting and important moment in the life of CCA. To meet the needs of our growing student body and to strengthen our ministry for years to come, we are taking a significant step forward. For the first time in our 25-year history, we are moving beyond our private funding sources to request support from our CCA family and the community. A step forward like this—constructing additional facilities and making key campus improvements—is only possible through widespread support. These enhancements will allow us to better serve our students, support our teachers, and expand opportunities for learning, worship, and community.

Enclosed you will find a Pledge Agreement Form, which outlines an opportunity to partner with us through a financial commitment toward this project. Your pledge—whether large or small, given as a one-time gift or over time—plays a vital role in making this vision a reality. Clinton Christian Academy is relying on these pledges as we move forward with faith and careful planning.

We invite you to prayerfully consider how you might participate. Every gift represents an investment in students' lives, in Christian education, and in the future of our community. We are deeply grateful for your support, encouragement, and trust in the mission of Clinton Christian Academy.

If you have any questions or would like to discuss your pledge, please do not hesitate to contact us. Thank you for partnering with us as we build for the next generation.

With sincere gratitude,

CCA Capital Campaign Committee
