Student Dress and Appearance - Uniforms (K4-8th)

Romans 12:1-2 *“I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good, and acceptable and perfect will of God.”*

I Corinthians 6:19-20 *“Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price....”*

Students attending CCA in grades K4-8th are required to wear uniforms so that all students regardless of their parents’/guardians’ economic level are equal in social appearance. Parents are responsible for ensuring that the proper uniforms are acquired and worn to school and school events. (See parent/guardian agreement in Appendix B of this handbook). Though uniforms make us LOOK the same, they do not make us the same. Underneath our identical covers we have different hearts, different minds, different temperaments, and that is what makes us all different.

Student's Uniform (The regulations apply while at school and on CCA sponsored events and field trips unless special permission is given.)

Uniforms can be purchased from anywhere (Wal-Mart, Target, Kohls, JC Penney, Old Navy, Oshkosh, Carters, The Children’s Place, Gap, etc.)

I Corinthians 6:19-20 *"Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price...."*

Students attending CCA for high school should reflect the fact that students are at school for the purpose of education, not recreation. Parents and students are reminded that items of clothing which may be acceptable and appropriate in social settings are not always appropriate at school. CCA is an academic institution, and school is, in essence, the student's job; therefore, students need to dress accordingly and use proper hygiene. The way one dresses can have a significant effect upon the attitude of the student and the atmosphere of the classroom. Students wearing clothing or accessories that are deemed inappropriate or distracting to the learning environment will be asked to change. The administrator reserves the right to make all final decisions on acceptable attire and personal appearance. Parents are responsible for ensuring that their child's dress and appearance are appropriate for school and school events. (See parent/guardian agreement in Appendix B of this handbook).

The CCA Student Dress and Appearance Code is based on the following four principles: 1) Honoring God, 2) Modesty, 3) Professionalism, and 4) Limiting Distractions. **Please remember that the high school dress code is not all inclusive and is at the ultimate discretion of the administration.**

Dress Code for Special Occasions (K4-12)

There may be times during the school year when special dress is permitted (e.g. Spirit Week, Holidays, Field Trips, etc.). Students are expected to dress conservatively and modestly **within the designated themes/guidelines given by the teacher or activity sponsor**. Special themed days should not be viewed as an opportunity to wear whatever students wish and failure to follow designated themes/guidelines will result in consequences. JH and HS students/parents will be given specific guidelines for dances, proms, band/music concerts, band/music competitions, etc.

Physical Displays of Affection (7-12)

The following behaviors are not appropriate behavior at school.

1. Arm around waist
2. Arm around shoulders
3. Kissing and/or hugging
4. Embracing (standing or sitting)
5. Hand in belt loop, pocket, etc.
6. Sitting on another person's lap
7. Inappropriate physical body contact

*Holding Hands is permitted only in grades 9-12.

The above listed items are a brief, not comprehensive, list of examples of PDA standards.

Discipline (K4-12)

Proverbs 22:15 *"Foolishness is bound up in the heart of a child; the rod of correction will drive it far from him."*

Proverbs 29:17 *"Correct your son, and he will give you rest; yes, he will give delight to your soul."*

Our discipline policy is based on developing these specific areas of a child's character: 1) Accepting Christ as Savior/ the Pursuit of Holiness, 2) Respect, 3) Academic Excellence, and 4) Discipline. Discipline is necessary for the welfare of the student, as well as, the entire school. Proverbs 12:1 tells us that if "we love discipline, we love knowledge". Learning does not take place in a classroom where there is no discipline. Students are reminded to adhere to a code of good conduct not only for their own benefit, but for the benefit of others (Phil. 2:3-5). A student's discipline is determined by the teachers and, in many circumstances, the school Administrator, based on what they believe is appropriate, considering the child and the circumstance. The following are examples of reasonable classroom expectations:

- Being in your seat promptly with materials before class begins
- Speaking with respect to everyone – classmates, teachers, staff, and administration
- Keeping hands and feet to yourself
- Respecting other people's property
- Showing consideration of other's opinions

Consequences for Grades K4-6: The basic steps used for a violation of class or school rules will usually be a verbal warning, loss of recess, a note or phone call home, and/or after or before school detentions (a detention notification will be sent home prior to serving the detention). Corporal punishment may be used with
